8:00-8:45	Welcome and Presentation of The Round Table Lifetime Award by Susan Reinhold, Reinhold Environmental in Lakeside Room			
	Safety Tip by Woodlands Resort			
8:45-9:30	Keynote Speech: "The Deciding Issue of Our Times" by Bob Malone - Entergy Vice President, Technical Services in Lakeside Room			
9:30-10:30	Break (in both Expo Halls)			
10:30-11:30	Workshop 1 (Republic Room) Understanding ESP Controls - Quick Overview <i>John Knapik, GE Energy</i>	Workshop 2 (Spanish Room) Fabric Filter Fundamentals <i>Florin Popovici, Evonik Fibres</i>	Panel I (Lakeside Room) Coal, Biomass, Co-Firing, Alternative Fuels: Which Way To Go? <i>Chairman: Steve Johnson, Quinapoxet Solutions</i> <i>Panelists: Kevin Davis, REI; David Lowman, Hunton & Williams</i>	Workshop 3 (Magnolia Room) ESPs in a Mercury Constrained World <i>Tim Mallory, Air Advantage</i>
11:30-12:30	Workshop 4 (Republic Room) High Frequency Power Supplies <i>Per Ranstad, Alstom Power</i>	Workshop 5 (Spanish Room) Closed-Loop Measurement and Control of SO₂ Processes <i>Cal Lockert, Breen Energy</i>	Panel II (Lakeside Room) Dry Scrubber Technology - What is in the Future? <i>Chairman: Tony Licata, Babcock Power; Panelists: Paul Farber, Sargent & Lundy; Kevin Redinger, B&W; Howard Fitzgerald, Chemical Lime</i>	Workshop 6 (Magnolia Room) Options for Hg Removal for Units with PRB coal and FFs <i>Bryan Jankura, Babcock & Wilcox</i>
12:30-2:00	Lunch in both Exhibition Halls			
2:00-3:00	Workshop 7 (Republic Room) The Art of Selecting ESP Electrodes and Rappers <i>Bob Mastropietro, Lodge Cottrell</i>	Workshop 8 (Spanish Room) SBS Injection: Recent Operating Experience and Advancements <i>Jim Jarvis and Steven Wells, URS</i>	Panel III (Lakeside Room) Balance of Plant Effect on Pollution Control Equipment Due to System Changes <i>Chairman: Scott Williams, Duke Energy</i> <i>Panelists: John Caine, SEI; Sam Kumar, B&W; Scott Hinton, WS Hinton & Assoc.;</i>	Workshop 9 (Magnolia Room) RWE's Experience with Mercury Control in its Coal-Fired PS <i>Juergen Wirling, RWE</i>
3:00-3:30	Break (in both Expo Halls)			
3:30-4:00	Break (in both Expo Halls)			
4:00-5:30	Workshop 10 (Republic Room) ESP Troubleshooting <i>Russ Ridgeway, AEP</i>	Workshop 11 (Spanish Room) Multi-Pollutant Control Fabric Filter <i>Anne Minga, Kuttner</i>	Workshop 12 (Lakeside Room) Wet scrubber O&M (discussion) <i>Ron Richard, RE Consulting</i> <i>Steve Wolsiffer, RE Consulting</i>	Workshop 13 (Magnolia Room) Status of Sorbents and Sorbent Injection for Hg Control <i>Cam Martin, ADA-ES</i> <i>Sharon Sjostrom, ADA-ES</i>
5:30-6:30	Reception (in Exhibition Halls for all attendees and their families)			
July 14 - Tuesday: APC Round Table & Expo at The Woodlands Resort, The Woodlands, TX				
7:30-8:00	Registration (outside of Grand Ballroom) & Continental Breakfast in both Expo Halls			
8:00-9:00	Workshop 14 (Republic Room) Application, Reliability & Maintenance Issues in SMPS <i>Royce Warnick, Stock Equipment</i>	Workshop 15 (Spanish Room) Testing the Use of Trona for SO₂ Removal <i>Connie Senior, REI</i>	Workshop 16 (Magnolia Room) SO₃ and Fine Part. Mitigation <i>Sam Kumar, Babcock & Wilcox; Al Moretti, Babcock & Wilcox</i>	Workshop 17 (Lakeside Room) Wet FGD Upgrades - Needs and Strategies <i>Mike Walsh, MET</i>
9:00-10:00	Workshop 19 (Republic Room) Mid-frequency Power Supplies <i>Paul Ford, Redkoh Industries</i> <i>Dan Steinhaur, Stein Industries</i>	Workshop 20 (Spanish Room) Emission Implications of Firing Biomass <i>Rich Abrams, Babcock Power</i>	Workshop 21 (Magnolia Room) Pre-APH Injection of Hydrated Lime <i>Curt Biehn Mississippi Lime Co.; Tony Silva, B&W; Jeff Wilson, Southern Company</i>	Workshop 22 (Lakeside Room) The Evolution of Wet ESPs <i>Ron Triscori, RE Consulting</i>
10:00-11:00	Break (in both Expo Halls)			
11:00-12:00	Workshop 24 (Republic Room) FRP and ZLD For The Power Industry <i>Pete Honeycutt, Kiewit</i>	Workshop 25 (Spanish Room) Advance Controls for baghouse Performance Improvements <i>Nick Macsata, Alstom Power</i>	Workshop 26 (Magnolia Room) Sodium Sorbents in Dry Injection for control of SO₂ and SO₃ <i>by Mike Wood and Michael Atwell, Solvay Chemicals</i>	Workshop 27 (Lakeside Room) Circulating Fluid Bed Emission Control Technology <i>Paul Petty, Allied Environmental</i>
12:30	Crommelin-Armiger Charity Golf Tournament			
7:00-5:00	July 15 & 16 (Wednesday - Thursday): PCUG (Pollution Control Users Group) Meeting at The Woodlands Resort, The Woodlands, TX
